Forecast For Wales
Issued by Met Office Exeter
at 1600 on Monday 28 Jun 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Rather cloudy with spots of rain. Brightening up Tuesday.

This Evening and Tonight:
Generally cloudy this evening with a few isolated showers. Remaining damp overnight with lingering light rain for many parts. A few clearer spells by dawn in the north. A mild night. Minimum temperature 14 deg C (57 deg F).

Tuesday:
Starting cloudy with widespread light rain, however a brighter start, possibly with showers later, for north and west. These conditions extending into the rest of Wales, bringing a fine evening. Maximum temperature 22 deg C (72 deg F).

Outlook for Wednesday to Friday:
Warm and generally sunny with some cloudy spells throughout much of the period. The odd risk each day of a shower. Becoming much cloudier late Friday, and turning breezy.
